Subject: application for a job as a childcare worker / childcare assistant (to be adapted)

Attachment: curriculum vitae

"City", the "date"

"Courtesy" "title" (or "Madam, Sir"),

Currently looking for a position as a childcare worker / auxiliary childcare worker (to be adapted), I am sending you my application in response to your job offer published on "date" / for any job you would have to be able within your establishment / crèche (to be adapted).

If you already have experience:

Having always wanted to work with children, it was only natural that I got involved in a "training title" training. After graduating in "year", I worked in different establishments, including (list the most relevant experiences). Thus, I now have a significant experience of "number" years.

My motivation for the profession is the same as when I started, and I still attach as much interest to the reception and animation of young children, in order to participate actively in their development and their development. To do this, I implement all the human qualities essential to this job, particularly in terms of pedagogy, listening and patience.

If you don't have experience yet:

Having always wanted to work with children, it was only natural that I got involved in a "training title" training, for which I recently obtained my diploma. In this context, I did various internships in establishments (specify). These allowed me to perfect my skills in terms of reception, animation and safety of young children. They were also an opportunity for me to develop human qualities essential to this job, such as pedagogy, listening and patience.

I enclose my curriculum vitae for more details on my background, and hope to have the opportunity to meet you soon during a job interview.

Thanking you in advance for the attention you will pay to the study of my application, please receive, "civility" "title" (or "Madam, Sir"), my best regards.
